Thank you for your participation in the workshop on *Enhancing FDA's Evaluation of Science to Ensure Chemicals Added to Human Food are Safe*. We will be sending you the summary of proceeding in about 8 weeks for your comments. In the meantime, please send us your ideas, comments, concerns and suggestions for policy recommendations.

There are three items attached.

1. Evaluation Form- Please fill this out and return to me
2. Speaker Presentations
3. Small Group Session Report Slides

Have great weekend and thanks again for two productive days!

Best,

Erin
